Thank You Marya,

I reached out to Captain Torres from Recreation and Parks. He and his team have been very diligent in addressing South Park. I received new photos from Sergeant Kingi yesterday and forwarded them to Captain Torres. There will be a CSP Program in the very near future (South Park CSP Program) and it is our hope the new Officers assigned to the park will assist with the homelessness concerns. We can coordinate through the UHRC with Recreation and Parks, GSD (Senior Lead Officer Helper), LAHSA and our OCB HOPE Team for an Outreach day at South Park.

Take Care,

Emada

Renee, I included Sergeant Kingi from Newton Division as OCB HOPE does not respond to Central due to the El Pueblo, this is Newton area, and he is addressing South Park.

Hello HOPE,

May we get these carts attended to, checked to see if there is personal property and removed?

Much Appreciated,

I'll take a photo of storage of bulky items across the street of the location. That is the focus of my request. Here is a representation of two shopping carts,
